The chip will be used as control system on different check point positioned on the course. Competitors failing to follow the course will be disqualified.

Rule 10 – Insurances

Civil liability : The organization has taken out a civil liability insurance policy in accordance with current legislation. This contract insures against damage caused by members of the organization and every competitor from the Gulf Marathon of St Tropez. Written proof can be provided upon request.

Individual accident : The organization highly recommends to the runners who did not have personal insurance covering the corporal damages particularly for the non-licensed runners, to subscribe to an individual « insurance accident » for their participation to the race.

Material damage : The organization disclaims all responsibility in the event of a damage (theft, breakage, loss, ...) subjected to the personal communities of runners, even if it is looked after. The

runners couldn't backfire on the organization for all damages occasioned to their equipment. The subscription of an insurance to guarantee these risks is within each one's province.

Rule 11 – Protection of personal pictures

13.1 Image Rights and Processing of Personal Data

By registering for the event, each participant expressly and irrevocably authorizes Azur Sport Organisation, as the data controller, as well as its partners, technical subcontractors, and rightsholders, to capture, process, use, and distribute free of charge their name, image, voice, and athletic performance recorded during the event, on all current or future media (including print, audiovisual, digital, websites, social networks, streaming platforms, or mobile applications).

This authorization is granted for worldwide use, for purposes of communication, promotion, marketing, commercialization, or archiving of the event, for the entire legal duration of copyright and related rights protection, including any extensions therefore.

13.2 Processing of Personal Data

As part of the event, personal data is collected and processed to manage registrations, timing, result display, and the distribution of visual content (photos, videos). These processing activities are carried out by the organizer or, where applicable, by its subcontractors acting on its instructions, in accordance with the GDPR.

To facilitate participant access to their visual content, the organizer may use a subcontracted service provider that implements facial recognition, algorithmic identification, or automated classification technologies. These processes are strictly regulated and implemented in a proportionate manner, in line with the stated purposes.

Facial recognition relies on the analysis of facial features, allowing for the unique identification of a participant. This involves the use of biometric data, which falls under special categories of data as defined by Article 9 of the GDPR.

This anonymized processing is strictly limited to the following purposes:

- Automated indexing of the participant's images and videos;
- Secure grouping of such content in a dedicated personal space.

It is only activated if the participant has provided explicit consent, collected at the time of registration. This consent is optional, may be refused without affecting participation, and may be withdrawn without justification up to 15 days before the event, and participants may choose to avoid the marked capture areas.

The processing is carried out exclusively by the subcontractor PhotoRunning, under a contract compliant with Article 28 of the GDPR. The processed biometric data is not sold, reused, or exploited for any other purpose, and is automatically deleted within a maximum of 90 days after the event ends.

Rule 12 – CNIL

According to the French law of January 6th, 1978 about information and freedom, you have a right to access and rectify any personal information about you saved in our files. Through us, you may have to receive advertisements from other companies or associations. If you do not want so, just write us and tell us your name and if possible your race number.

Rule 13 – Circulation

Bicycles, motorised vehicles and pushchairs are strictly forbidden on the course except for the organization staff.

Rule 14 – Abandonment

Each runner who wants to abandon, will have the obligation to go to provision posts or safety posts to deliver his race number and his chip to the organization staff.

Rule 15 – Reward Ceremony

The Reward Ceremony organized in Cavalaire after the finish will reward the 3 first men and the 3 first women scratch and the first man and the first woman from each category until Master 10.

Every runner who will cross the finish line in the previous delay time will receive a « finisher » reward. Runners who finish after the time-line cannot pretend to have the Finisher's gift (medal, t-shirt...)

Rule 16 – Cancellation option

Each runner may subscribe to an optional "Insurance Refund in case of cancellation" allowing him/her to cancel his/her registration in accordance with the Beticketing T&C.

This insurance will allow the subscriber to get a refund of his registration in case the competitor is unable to participate: injury, illness including Covid 19 (declared within 30 days prior to the date of the event), death, etc...

Coverage and exclusions can be checked on Beticketing T&C.

https://www.sport-up.fr/organisateur/reglement/37783-Beticketing_CG_2023_FR_.pdf

The cancellation insurance guarantees the reimbursement of 80% of the amount corresponding to the registration fees (and options) minus the transaction fees retained in case of registration by Internet and the amount of the insurance. Any request for reimbursement must be made via the url link or the QR code included in the insurance certificate received at the time of subscription.

This insurance can only be taken out at the time of registration and in no case added afterwards. Any question after the subscription can be sent by mail to beticketing@assur-connect.com.

No refund can be collected from a runner who wouldn't have subscribed the insurance with his registration.

This insurance isn't taken into consideration if the event is to be partially or totally cancelled (see rules 17 and 18).

Rule 17 – Pandemic event cancellation

If the event could not take place due to an ongoing pandemic (population lockdown, non-gathering rules, ...), the organization will then propose a postponement of registered participants to the following year or a refund of registered participants, the proportion of which will be defined depending on the date of cancellation. If the participant chooses to postpone his registration, he will keep all the options taken, including the insurance if he had subscribed to. This one will nevertheless not cover those who wouldn't be available at the postponement date of the event.

Rule 18 – Major fact event cancellation

If the event were to be canceled for a case of absolute necessity or for a motive independent from the will of the organization, apart from the cases listed in the rule 17, the organization will then only propose a postponement of registered participants to the following year. No reimbursement of registration fees can be made and no compensation received, including those who had taken the cancellation option (see rule 16). During this postponement of registration, the runner will keep the options chosen during his registration as well as the cancellation insurance if he had subscribed to it. This one will nevertheless not cover those who wouldn't be available at the postponement date of the event.

Rule 19 – Wheelchair

The race is opened to wheelchair athletes, according to “Federation Française handisport” rules. In agreement with those rules, “hand bikes”, or “hand cycling”, will not be allowed on the race. The wheelchair start will be done at 8.42 am. There will be a specific classification of the wheelchair race.

Rule 20 – Sustainability

Through his races, Azur Sport Organisation is committed in sustainability. Runners participating to ASO races accept those commitments, and may consult it on the Internet website www.marathondugolfesainttropez.com

Rule 21 – Rules modification

The organization has the right to change those rules at any moment, and whatever the reasons. Registered people would then be informed of those changes by all possible means at the disposal of the organization.

Rule 22 – Sanitary rules

Regarding the sanitary rules, the organization will follow the governmental instructions in place at the date of the race, setting up all the necessary measures in order to offer a maximal protection for the runners, volunteers and to all the people involved in this event.

Then, and according to the rule 21, this competition rule sheet could be modified until March, 29th 2026. Participants will anyway be informed of all sanitary measures and specifications before the event, and will have to conform to it if they want to take part to the race

The participation to the Gulf Marathon of St Tropez implicates the express approval of the official regulation by every runner.
