Material damage : The organization disclaims all responsibility in the event of a damage (theft, breakage, loss, ...) subjected to the personal communities of runners, even if it is looked after. The runners couldn't backfire on the organization for all damages occasioned to their equipment. The subscription of an insurance to guarantee these risks is within eachone's province.

Rule 13 - Protection of personal pictures

13.1 Image Rights and Processing of Personal Data

By registering for the event, each participant expressly and irrevocably authorizes Azur Sport Organisation, as the data controller, as well as its partners, technical subcontractors, and rightsholders, to capture, process, use, and distribute free of charge their name, image, voice, and athletic performance recorded during the event, on all current or future media (including print, audiovisual, digital, websites, social networks, streaming platforms, or mobile applications).

This authorization is granted for worldwide use, for purposes of communication, promotion, marketing, commercialization, or archiving of the event, for the entire legal duration of copyright and related rights protection, including any extensions therefore.

13.2 Processing of Personal Data

As part of the event, personal data is collected and processed to manage registrations, timing, result display, and the distribution of visual content (photos, videos). These processing activities are carried out by the organizer or, where applicable, by its subcontractors acting on its instructions, in accordance with the GDPR.

To facilitate participant access to their visual content, the organizer may use a subcontracted service provider that implements facial recognition, algorithmic identification, or automated classification technologies. These processes are strictly regulated and implemented in a proportionate manner, in line with the stated purposes.

Facial recognition relies on the analysis of facial features, allowing for the unique identification of a participant. This involves the use of biometric data, which falls under special categories of data as defined by Article 9 of the GDPR.

This anonymized processing is strictly limited to the following purposes:

- Automated indexing of the participant's images and videos;
- Secure grouping of such content in a dedicated personal space.

It is only activated if the participant has provided explicit consent, collected at the time of registration. This consent is optional, may be refused without affecting participation, and may be withdrawn without justification up to 15 days before the event, and participants may choose to avoid the marked capture areas.

The processing is carried out exclusively by the subcontractor PhotoRunning, under a contract compliant with Article 28 of the GDPR. The processed biometric data is not sold, reused, or exploited for any other purpose, and is automatically deleted within a maximum of 90 days after the event ends.

Rule 14 – CNIL

According to the French law of January 6th, 1978 about information and freedom, you have a right to access and rectify any personal information about you saved in our files. Through us, you may have to receive advertisements from other companies or associations. If you don't want so, just write us and tell us your name and if possible your race number.

Rule 15 - Circulation

Bicycles, motorised vehicles and pushchairs are strictly forbidden on the course except for the organization staff.

Rule 16 - Withdrawal

Each runner, who wants stop the race, will have the obligation to go to refreshment stations or safety posts to deliver his race number and his chip to the organization staff.

Rule 17 - Reward Ceremony

The Reward Ceremony organized in Cavalaire will reward only the 3 first teams (Man, Women and Mixt). None reward will be delivered for age category. However each team who will cross the finish line in the previous delay time will receive a "finisher" reward.

A Team who finish after the time-line cannot pretend to have the Finisher's gift (medal, t-shirt...)

Rule 18 – Pandemic event cancellation

If the event could not take place due to an ongoing pandemic (population lockdown, non-gathering rules, ...), the organization will then propose a postponement of registered participants to the following year or a refund of registered participants, the proportion of which will be defined depending on the date of cancellation.

Rule 19 – Major fact event cancellation

If the event were to be canceled for a case of absolute necessity or for a motive independent from the will of the organization, apart from the cases listed in the rule 18, the organization will then only propose a postponement of registered participants to the following year. No reimbursement of registration fees can be made and no compensation received.

Rule 20 – Wheelchair

The race is opened to wheelchair athletes, according to "Federation Française handisport" rules. In agreement with those rules, "hand bikes", or "hand cycling", will not be allowed on the race. The wheelchair start will be done at 7.55 am. There will be a specific classification of the wheelchair race.

Rule 21 – Sustainability

Through his races, Azur Sport Organisation is committed in sustainability. Runners participating to ASO races accept those commitments, and may consult it on the Internet website www.marathon06.com

Rule 22 – Rules modification

The organization has the right to change those rules at any moment, and whatever the reasons. Registered people would then be informed of those changes by all possible means at the disposal of the organization.

Rule 23 – Sanitary rules

Regarding the sanitary rules, the organization will follow the governmental instructions in place at the date of the race, setting up all the necessary measures in order to offer a maximal protection for the runners, volunteers and to all the people involved in this event.

Then, and according to the rule 22, this competition rule sheet could be modified until March 29th 2026. Participants will anyway be informed of all sanitary measures and specifications before the event, and will have to conform to it if they want to take part to the race.

The participation to the 2x21.1 of the Gulf Marathon of St Tropez implicates the express approval of the official regulation by every runner
