

OFFICIAL RULES Relay of The Gulf Marathon of St Tropez
--

Rule 1 - Organization

The Relay Marathon du Golfe de Saint-Tropez is organized the 14th March 2027, on the occasion of the 7nd Gulf Marathon of St Tropez, by Azur Sport Organisation, association Law 1901, affiliated to the French Federation of Athletics (FFA).

Rule 2 - Course

The race start will be done at the same time of the Marathon, March 14th, 2027 at 8.00 am, just after the elite athlete start. Start will be given "Pont du Préconil" in Sainte-Maxime to finish on "Maison de la Mer" in Cavalaire. You can see the course on the website:

www.marathondugolfedesainttropez.com

The relay race uses the same course as the individual one. 3 or 4 relay points, placed on the race will allow runners to transmit the relay to their co-runner:

Relay by 4

- Relay point 1 Gassin : KM 14
- Relay point 2 Saint-Tropez : KM 19
- Relay point 3 Ramatuelle : KM 29

Relay by 5

- Relay point 1 Gassin : KM 14
- Relay point 2 Saint-Tropez : KM 19
- Relay point 3 Ramatuelle : KM 29
- Relay point 4 La Croix Valmer : KM 37.2

The relay between two runners has to be strictly done in those relay points, and never outside those, or they will be disqualified.

Refreshment posts will be located every 5 km and on the finish line. Water-posts will be located every 5 km from km 7.5. The runner declares on his honor to not anticipate the start and to run the whole race before to cross the finish line.

Rule 3 - Teams

Each team consists of 4 or 5 runners. Each team will have to complete the marathon distance, using the relay points

It's up to each team to organize itself, as soon as they use available relay points, and that each runner only run once, in one go.

For example it's forbidden for a runner to run from Sainte-Maxime to Gassin, to give the bib number to a member of his team, and to get it back In Ramatuelle to finish the race. The team will then be disqualified.

Distances each runner will do will be chosen during the registration.

Rule 4 - Subscriptions

The race is opened to all athletes licensed or not licensed; Borned in 2011 and before
20€/runner, from 08/09/2026 to 30/11/26 (23h59),

CIMALP COMMUNICATION –Marathon Golfe Saint-Tropez – 1515 Route Départementale – RN7 – Marina 7 - 06270 Villeneuve-Loubet.

Rule 5 – Start corral

The first runner who starts from Sainte-Maxime, will be able to enter the corral he wants from the corral 3H15 corral. Every team who does not respect this rule will be put out of the race, during or even after the race.

Rule 6 - Relay baton transmission

Each team will receive individual bib numbers, depending on how many they are, to be pinned at their back. They will also receive another one in which the chip will be integrated. The organization will provide you a belt to tie the bib number, and runners will use this as the relay baton. This bib number has to be visible all along the race, worn in the front. The last runner will have to give back the belt to the organisation after the finishline in Cavalaire.

Rule 7 – Relay point access

Each runner will have to show his individual bib number to access his relay point. If not, access will be denied and his team won't finish the race.

Rule 8 - Classification

One final classification will be done, We remind you that some controls will be effectuated during the race to insure optimum race regularities.

Rule 9 - Entries

Each entry is considered as non-transferable and final and implies full acceptance of the rules. No refund will be made. The registration transfers is allowed between members of a team and must be notified and validated by the organisation. Any person retroceding his bib to a person without the organisation's agreement will be recognized as responsible in case of an accident arising or provoked by this person during the competition. The organisation is exempt from all responsibility in case of an accident in this type of situation.

A team has the possibility to add or remove a runner from the team. This has to be asked to the organisation by email at vero@cimternet.com before March, 05th 2027. A team adding a competitor will have to pay the 40€ entry fee for this new runner. On the opposite, no refund will be made to a team removing a competitor from the team.

Rule 10 - Collection of the start numbers

The collection of the start bibs numbers will be effectuated from the March 12th, 2027 until March 13th, 2027 on the Running Expo Marathon in Sainte-Maxime. The start number will be handed over to the team responsible with the start number's voucher. No bib number will be given individually in a team. The start number's voucher will be sent by mail by the organization to the address given by the team during the subscription.

None race number will be sent by email or given on the spot on March 14th, 2027 before the start race.

Rule 11 – Bag drop

During the race and considering the interval between the first and the last runner, the organisation can't move runners bags individually. Then it's up to every team to organize itself about their bags, the following way :

Thus, the second runner has to take before the race the first runner change of clothes and bring it to his relay point. This way, the latter will find his clothes at his arrival relay point. The third runner take the second runner change of clothes and so on...

The only exception, the last runner, who arrives in Cavalaire, has to give his bag to the first one, who will drop it in trucks' organisation. His bag will be brought among individual runners bags, and will wait for him directly on the finishline.

The organisation won't be responsible for any missing bag or missing item inside it. We strongly advise not to put any valuable item in your bag.

Every bag forgotten on the route will be brought on the finishline in Cavalaire between 2.30 pm and 3pm, March 14th 2027. They will then be kept 30 days by the organisation, and donated to an association if nobody claims for it within this delay.

Rule 12 - Security

The organization will insure the security of the runners and the spectators during the event. Medical safety will be under control of a security association agree by the prefecture of the Var through

security posts located every 5 km as well as mobile teams within the race. Medical services may stop any competitor during the race for medical reasons.

Rule 13 - Limit race time

The time limit for completing the course is 6 hours. Here are the timing gates :

After the « end of race » vehicle has passed, competitors should respect the Highway Code and be considered “out of the race” and every runner will be put “out of the race” and the organisation will be exempt from all responsibility in case of an accident in this type of situation.

Rule 14 – Timing system

The timing system will be used for timing by a person affiliated to the FFA. Each team will receive a chip which will be activated in an automatically way when the start line will be crossed. The time of each team will be “real time”. This time will take be on line on our website. The chip will be used as control system on different check point positioned on the course. Competitors failing to follow the course will be disqualified.

Rule 15 - Insurances

Civil liability : The organization has taken out a civil liability insurance policy in accordance with current legislation. This contract insures against damage caused by members of the organization and every competitor from the Gulf Marathon of St Tropez. Written proof can be provided upon request.

Individual accident : The organization highly recommends to the runners who did not have personal insurance covering the corporal damages particularly for the non-licensed runners, to subscribe to an individual « insurance accident » for their participation to the race.

Material damage : The organization disclaims all responsibility in the event of a damage (theft, breakage, loss, ...) subjected to the personal communities of runners, even if it is looked after. The runners couldn't backfire on the organization for all damages occasioned to their equipment. The subscription of an insurance to guarantee these risks is within eachone's province.

Rule 16 - Protection of personal pictures

13.1 Image Rights and Processing of Personal Data

By registering for the event, each participant expressly and irrevocably authorizes Azur Sport Organisation, as the data controller, as well as its partners, technical subcontractors, and

rightsholders, to capture, process, use, and distribute free of charge their name, image, voice, and athletic performance recorded during the event, on all current or future media (including print, audiovisual, digital, websites, social networks, streaming platforms, or mobile applications).

This authorization is granted for worldwide use, for purposes of communication, promotion, marketing, commercialization, or archiving of the event, for the entire legal duration of copyright and related rights protection, including any extensions therefore.

13.2 Processing of Personal Data

As part of the event, personal data is collected and processed to manage registrations, timing, result display, and the distribution of visual content (photos, videos). These processing activities are carried out by the organizer or, where applicable, by its subcontractors acting on its instructions, in accordance with the GDPR.

To facilitate participant access to their visual content, the organizer may use a subcontracted service provider that implements facial recognition, algorithmic identification, or automated classification technologies. These processes are strictly regulated and implemented in a proportionate manner, in line with the stated purposes.

Facial recognition relies on the analysis of facial features, allowing for the unique identification of a participant. This involves the use of biometric data, which falls under special categories of data as defined by Article 9 of the GDPR.

This anonymized processing is strictly limited to the following purposes:

- Automated indexing of the participant's images and videos;
- Secure grouping of such content in a dedicated personal space.

It is only activated if the participant has provided explicit consent, collected at the time of registration. This consent is optional, may be refused without affecting participation, and may be withdrawn without justification up to 15 days before the event, and participants may choose to avoid the marked capture areas.

The processing is carried out exclusively by the subcontractor PhotoRunning, under a contract compliant with Article 28 of the GDPR. The processed biometric data is not sold, reused, or exploited for any other purpose, and is automatically deleted within a maximum of 90 days after the event ends.

Rule 17 – CNIL

According to the French law of January 6th, 1978 about information and freedom, you have a right to access and rectify any personal information about you saved in our files. Through us, you may have to receive advertisements from other companies or associations. If you do not want so, just write us and tell us your name and if possible your race number.

Rule 18 - Circulation

Bicycles, motorised vehicles and pushchairs are strictly forbidden on the course except for the organization staff.

Article 19 - Aid, Accompanying Persons, Assistance

It is forbidden to use any outside assistance, whether through the use of certain equipment or by employing one or more accompanying persons. The use of devices for listening to music during the competition is permitted on the strict condition that they allow the participant to remain aware of

their surroundings. The isolation from the environment provided by these devices, which prevents the identification of certain dangers, is a risk factor for the user and for third parties: emergency services, law enforcement, etc. GPS pedometers and heart rate monitors are not considered assistance. A medical examination carried out during the event by a member of the medical service designated by the organizer and clearly identified by armbands, vests, or similar distinctive means, will not be considered assistance.

Rule 20 - Withdrawal

Each runner, who wants stop the race, will have the obligation to go to refreshment stations or safety posts to deliver his race number and his chip to the organization staff.

Rule 21 - Reward Ceremony

The Reward Ceremony organized in Cavalaire will reward only the 3 first teams for each kind. None reward will be delivered for age category. However each team who will cross the finish line in the previous delay time will receive a “finisher” reward.

A Team who finish after the time-line cannot pretend to have the Finisher’s gift (medal, t-shirt...)

Rule 22 – Wheelchair

The race is opened to wheelchair athletes, according to “Federation Française handisport” rules. In agreement with those rules, “hand bikes”, or “hand cycling”, will not be allowed on the race.

Rule 23 – Pandemic event cancellation

If the event could not take place due to an ongoing pandemic (population lockdown, non-gathering rules, ...), the organization will then propose a postponement of registered participants to the following year or a refund of registered participants, the proportion of which will be defined depending on the date of cancellation.

Rule 24 – Major fact event cancellation

If the event were to be canceled for a case of absolute necessity or for a motive independent from the will of the organization, apart from the cases listed in the rule 22, the organization will then only propose a postponement of registered participants to the following year. No reimbursement of registration fees can be made and no compensation received.

Rule 25 – Sustainability

Through his races, Azur Sport Organisation is committed in sustainability. Runners participating to ASO races accept those commitments, and may consult it on the Internet website www.marathondugolfedesainttropez.com

Rule 26 – Rules modification

The organization has the right to change those rules at any moment, and whatever the reasons. Registered people would then be informed of those changes by all possible means at the disposal of the organization.

Rule 27 – Sanitary rules

Regarding the sanitary rules, the organization will follow the governmental instructions in place at the date of the race, setting up all the necessary measures in order to offer a maximal protection for the runners, volunteers and to all the people involved in this event.

Then, and according to the rule 26, this competition rule sheet could be modified until March, 14th 2027. Participants will anyway be informed of all sanitary measures and specifications before the event, and will have to conform to it if they want to take part to the race.

Rule 28 – Behaviour and respect

The competitors undertake to respect the instructions of the members of the organization and the volunteers. Courtesy and respect for others are required throughout the event. Any lack of respect, insult, threat or aggressive behaviour (verbal or physical) towards a volunteer, a member of the organization, the medical service, another competitor or the public will result in: the immediate disqualification of the runner and the exclusion from the event without possible refunding.

The organization reserves the right to prohibit the offending runner from registering for the futures races.

The participation to the Relay of the Gulf Marathon of St Tropez implicates the express approval of the official regulation by every runner
